Hi Jer,

I think I missed your call. I called back but didn't leave a message because I didn't recognize the number.

Thanks for sending the revised budget pages. I also need the budget detail page to reflect show the \$6.7M federal amount, but I can begin the award process with what you've sent and discuss more on Monday.

Have a good weekend and thanks again!

- Angie

Hi Jer,

Similar to CARB's contributions to NACAA and CAPCOA, your WESTAR fees are not reflected as part of your grant, it is taken off-the-top of your award per your consent. The budget pages should only reflect the amount to be awarded to CARB - \$6,710,656.

Call me if you want more information.

Thanks!

- Angie

Hi Jer,

Today is our deadline to award the final amounts for our CAA 105 grants, and it would be great to get CARB's award processed quickly. Is there any chance you can submit the revised budget pages today, or give me an idea how to adjust the amounts for the budget categories so I can move forward with your final FY20 grant? I just need to know which budget category to reduce by \$22,206. You can call me if that is easier/quicker for you.

Thanks!

- Angie

Hi Angela,

Program is inquiring on the status of this workplan. Do you have an estimated time of when it might get approved so they can begin work?

Thank you,
Jer Yang
